

Nelida Feliciano

June 10, 1944 - December 23, 2020

Nelida Feliciano, (Nelly) was a very loving mother, grandmother and great-grandmother. At the age of 76, she has peacefully passed away in her home located in Elizabeth, New Jersey, on December 23, 2020. She was surrounded by her loved ones and family during her final moments as she had wished for. Nelida was born in Yauco, Puerto Rico, on June 10, 1944, daughter of Sara Feliciano and the late Jose Feliciano.

Nelida is survived by her four sons Alejandro Plaza, Javier Plaza, Jose Alfonso Plaza, Daniel Plaza, her granddaughters Jennifer Lynn Plaza, Briana Suero, Marleen Plaza, Alyssa M. Plaza, and great-grandchildren Cayleigh Dayanara Morejon, Julian Luis Morejon, and Josiah Agustin Suero.

She is also survived by her mother Sara Feliciano, her four sisters Maritza Feliciano, Elizabeth Feliciano, Sarah Feliciano and Sandra Feliciano, and seven brothers Milton Feliciano, Eddie Feliciano, Javier Feliciano, Gaspar Feliciano, Hiram Feliciano, Wilson Feliciano and Jose Angel Gomez.

Nelida is preceded in death by her father Jose A. Feliciano, her sister Ana Mildred Feliciano, and her brother Jose Feliciano.

She was honored for being a humble selfless and hardworking parent. She really enjoyed gardening, tending her plants, sewing, watching novelas and visiting flea markets with her friends, Lucy Castillo, Dominga Rodriguez and many more. Some good books that you could have found Nelida's nose in were crossword puzzles and word searches. Many people can say that Nelida was an extremely caring person, she was always there for you and you could always count on her no matter what. She has been a strong fighter for her entire life which has been demonstrated by her long going battle with cancer, helping to raise almost her entire family including her sons, her grandchildren, great-grandchildren and more. She consistently inspired others to seek the best in themselves. She set the example of what it means to be humble by putting others interests before her own. She demonstrated patience, love, and kindness to all those around her. She welcomed all with a warm heart and radiant smile. She was truly one of a kind. The family wishes to extend their gratitude to those that helped Nelida throughout the years at Trinitas Comprehensive Cancer Center. Our gratitude also goes forward to VNA Health Group Hospice. Donations may be made to them at Giving - VNA Health Group (vnahg.org)

We also like to add that Nelida Feliciano was the primary caretaker and loving parent of Alejandro Plaza a special needs person. “Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.”

– 1 Corinthians 13:4-8

“ I might never gonna be able to put in words what my mom (in-law) means to me... cause love and admiration cannot be explained in words sometimes.

I'm so thankful to her... She raised the man of my life; she blessed me with a Prince; she fought so hard against your illness so she could meet our baby girl, she took care of me before, during and after my pregnancy, making sure I'd have a nice dinner after a long day at work or taking care of our newborn.

She accepted me not only as her family member but as her daughter... and this is priceless...

Mom... I know you are in a better place now, I know how much you'd love to enjoy more time with Alyssa and meet our new baby... but I promise you, I'll make sure they will know how great and special their grandma was. I love you so much and you'll be always in our memories.

“ My grandma played a big role in my life. She was more than a grandmother, almost like a parent to me. We would go shopping together, watch her favorite novelas, and she shared the best jokes with me. My grandma took care of everyone around her, and put herself last. Even as she was sick, she still wanted to make sure that everyone around her was taken care of. She was loving, caring, patient, generous, and loyal. I appreciate her so much and I am beyond grateful to have had the best grandmother. All the memories will always remain in my heart. I love you grandma, Rest In Peace 😞

“ To start off, my grandma (nelida) was the most selfless woman I knew.. she gave me unconditional love, treated me as if I was her own child.. I could remember as a little girl, our shopping trips, grocery store trips, just hanging around with her always made my heart so full. She always bought me the girliest clothes, made sure I had pretty jewelry and always made sure I had everything I ever needed. Waking up on the weekends to my favorite breakfast while us girls played video games or watched our favorite movie and shows while we drink our coffee or strawberry milk.. she was always so happy to be around us girls every chance she got. My grandma was an incredible woman, in which I was beyond blessed to be apart of her life for the last 23 years.. the sound of her voice and her touch was so soothing to my soul.. she will always be with me in my heart.. Rest In Peace mom
